

REMARKS

The present Amendment incorporates the edits entered in the Examiner's Amendment that accompanied the Notice of Allowance mailed on November 24, 2008 and makes several minor, non-substantive corrections to the claims to address informalities such as lack of antecedent basis. Although the Examiner indicated on the Notice of Allowability that the allowed claims 36-42 and 49-50 were renumbered to become claims 1-9, in order to avoid confusion the present Amendment utilizes the claim numbers used during prosecution. Applicant understands that the claims will issue as claims 1-9.

The foregoing amendments do not introduce new matter.

Please grant any extensions of time required to enter this Amendment and charge any additional required fees to our deposit account 03-1129.

Respectfully submitted,
